We are glad to say that our Panchayat Board has sound finances but we have to provide for the following schemes.

'A' 5. The weekly cattle market of this Panchayat Board is the biggest in the district attracting several thousands of cattle from places far and near and therefore there is an urgent need for a veterinary hospital. The Panchayat Board has agreed to pay one-third cost of the maintenance of the veterinary hospital in this town as per the suggestions of the District Veterinary Surgeon and we expect that the hospital will be opened shortly.
